

What should I do when I receive an Anystore Gift Card?

Keep your original receipt and make a note of the reference number and expiry date of the gift card. Go online to www.anystoregiftcard.com.au to check the terms and conditions of the card. Keep your card secure. Anyone holding the card can use its value to make purchases.

Is the card required to be present and used at the EFTPOS device to authorise my purchase using my Anystore Gift Card?

Yes. The retailer must use the EFTPOS pinpad provided when redeeming a Gift Card for goods or services as directed by the POS terminal.

Can the card be used in an ATM or redeemed for cash?

No, the Anystore Gift Card cannot be used in an ATM or redeemed for cash from banks or any retailer.

Can I use my Anystore Gift Card for mail order, online or phone purchases?

No, it can only be used for in store purchases. EFTPOS is used for all Anystore Gift Cards, therefore these cards cannot be used online or for any card not present transactions (mail or phone orders).

Where can the Anystore Gift Card be used?

The Anystore Gift Card can be used with any Australian merchant where EFTPOS is available.

How do I use the card?

- Present your card any store that accepts EFTPOS.
- Swipe the card through the EFTPOS terminal.
- Select the savings option enter your 4 digit pin found under the scratch panel on the back of the card.

What happens if I use the card and it is declined?

The card transaction will be declined if:

- You have insufficient funds remaining to cover the full value of your purchase (see next question).
- The card is expired.
- The card has a zero balance.

Can I use my card to purchase if the card balance is less than my total purchase price?

Before using your card ensure you have enough remaining balance to cover the purchase. If you do not then advise the store assistant you wish to use a combination of the card and another payment method. E.g. you make a purchase for \$100, your Anystore gift Card has \$50 balance remaining, advise the retailer you wish to pay \$50 on your Anystore Gift Card and the balance of \$50 via another payment method.

Is the balance updated automatically?

Each time you use your gift card, the purchase amount is automatically deducted from the Card balance as it is swiped through the EFTPOS pinpad and the transaction approved. If the transaction is declined the funds are not deducted. The cardholder can check the balance online at anystoregiftcard.com.au. It is recommended that you check your balance each time before using your gift card.

What do I do if the EFTPOS pinpad does not approve my gift card transaction?

Check the following:

- The EFTPOS network may be off-line. You as the customer will need to provide another payment type or come back when the EFTPOS system is up. You cannot use the gift card when the system is off-line.
- The gift card's magnetic stripe may be damaged. Please contact us on PH: 1300 785 506 and select option 1 for further information. Or via email to info@anystoregiftcard.com.au
- There may be insufficient funds left on the gift card for the transaction. Please check your card balance online at www.anystoregiftcard.com.au.
- The gift card has expired. Check the expiry date on the back of the card. Refer to anystoregiftcard.com.au and refer to the terms and conditions on the back of the card.

How can I check my Gift Card's balance?

You can check the gift card balance at www.anystoregiftcard.com.au

Do I have to spend the entire amount of the Gift Card in a single purchase?

No. Gift Cards are partially redeemable. Within the card's validity period, any available balance can be used for multiple purchases at any participating merchant.

Can these Gift Cards be reloaded with value?

No, these gift cards cannot be re-loaded or credited with funds, e.g. for returned goods or store credits.
